STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

Certificate for Stockpond Water Right

CERTIFICATE NO.: 3291

PRIORITY OF RIGHT: April 2, 1980

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

Bernice Mendoza and
Estate of Louis Mendoza
c/o Russell L. Mendoza
425-940 Constantia Road
Doyle, CA 96109

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (State Water Board) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the State Water Board that the stockpond described herein has a capacity of 8.0 acre-feet on January 1, 1975; that the stockpond was constructed in 1954; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

It therefore appears and the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1 with a priority of April 2, 1980, to collect and hold in storage 8.0 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

On an Unnamed Stream tributary to Live Oak Creek
being within the NE¼ of SW¼ of projected Section 15, T10S, R4E, MDB&M
in Santa Clara County.

The water right described herein is subject to other stockpond water rights on which certificates have been issued by the State Water Board with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.

DATED: JANUARY 4 1994

STATE WATER RESOURCES CONTROL BOARD
