In the Matter of License 3866 (Application 12221)

**U. S. National Park Service**  
**ORDER REVOKING LICENSE**

---

SOURCE: Unnamed Stream

COUNTY: Del Norte

---

**WHEREAS:**

1. License 3866 was issued to Arthur Hanseth and Florence Hanseth, pursuant to Application 12221, on January 22, 1954, and was recorded by the County Recorder of Del Norte County on January 21, 1954.
2. License 3866 was subsequently assigned to U. S. National Park Service on June 20, 1969.
3. Caleb Waters, facility specialist for U. S. National Park Service, requested on May 26, 2011, that the License be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
4. The Division interprets the Licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.1.

**Therefore, it is ordered** that License 3866 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

## License for Diversion and Use of Water

APPLICATION 12221

PERMIT 7245

LICENSE 3866

THIS IS TO CERTIFY, That **Arthur Hanseth and Florence Hanseth**  
1082 Fifth Street  
Crescent City, California

*ba ve* made proof as of August 28, 1952  
(the date of inspection) to the satisfaction of the State Engineer of California of a right to the use of the water of  
an unnamed stream in Del Norte County

tributary to **Smith River**

for the purpose of **domestic use**

under Permit **7245** of the Department of Public Works and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the Department of Public Works and the terms of the said permit; that the priority of the right herein confirmed dates from **December 31, 1947**; and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed **four thousand five hundred (4,500) gallons per day** to be diverted from **January 1 to December 31** of each year.

The right under this license is of equal priority with the rights initiated by Applications 12222, 12223, 12224 and 12225.

The point of diversion of such water is located **south fifty (50) feet and west two thousand two hundred seventy (2270) feet** from **E $\frac{1}{2}$**  corner of Section 9, T 16 N, R 1 E, HB&M, being within **NW $\frac{1}{4}$**  of **SE $\frac{1}{4}$**  of said Section 9.

A description of the lands or the place where such water is put to beneficial use is as follows:  
within **E $\frac{1}{2}$**  of **SW $\frac{1}{4}$**  of Section 9, T 16 N, R 1 E, HB&M.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Department acting through the State Engineer in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Engineer.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

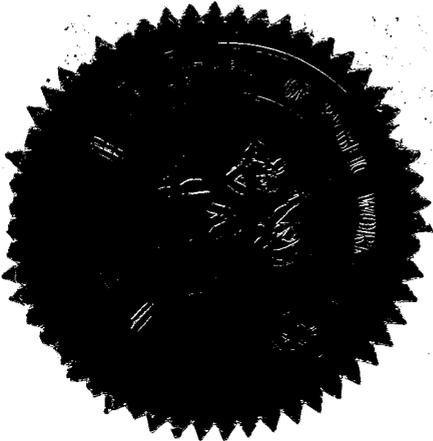

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
