

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

Certificate for Stockpond Water Right

CERTIFICATE NO. : 4027

DATE OF FILING: November 8, 1993

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

*Usibelli Coal Mine, Inc.
c/o James C. Hanson
444 North Third Street, Suite 400
Sacramento, CA 95814*

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (SWRCB) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the SWRCB that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the SWRCB certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, to collect and hold in storage 0.51 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On an Unnamed Stream tributary to Maxwell Creek
thence Pope Creek thence Putah Creek thence Yolo Bypass
being within the SE $\frac{1}{4}$ of SW $\frac{1}{4}$ of projected Section 35, T9N, R5W, MDB&M
in the County of Napa.*

The Claimant's water right priority of this certificate is November 8, 1993, the date of filing, and is subject to all prior water rights.

DATED: SEPTEMBER 20 1994
