STATE WATER RESOURCES CONTROL BOARD

DIVISION OF WATER RIGHTS

In the Matter of License 4452 (Application 13254)

Lisa M Havel

ORDER REVOKING LICENSE

SOURCE: An Unnamed Waste Ditch

COUNTY: Tehama

WHEREAS:

1. License 4452 was issued to John R. Robinson on January 15, 1957 pursuant to Application 13254 and was filed with the County Recorder of Tehama on January 25, 1957.
2. License 4452 was subsequently assigned to Lisa M Havel on July 16, 2008.
3. Lisa M Havel requested on September 1, 2011, that the license be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
4. The Division interprets the licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.1.

Therefore, it is ordered that License 4452 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 13254PERMIT 7850LICENSE 4452

THIS IS TO CERTIFY, That John R. Robinson
Route 1, Box 219, Gerber, California

Notice of Assignment (Over)

has made proof as of June 16, 1954,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
an unnamed waste ditch in Tehama County

tributary to Rodeo Creek

for the purpose of irrigation use

under Permit 7850 of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from July 22, 1949; and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed fifteen hundredths (0.15) cubic foot per second to be diverted from about March 1 to about October 31 of each year.

The amount diverted from point (a) has been five hundredths (0.05) cubic foot per second and the amount diverted from point (b) has been ten hundredths (0.10) cubic foot per second.

The equivalent of such continuous flow allowance for any thirty day period may be diverted in a shorter time if there be no interference with other vested rights.

The points of diversion of such water are located as follows:

- (a) south three hundred fifty (350) feet and east two hundred thirty-four (234) feet from NW corner of Lot 147A of Subdivision 2, El Camino Rancho, being within said Lot 147A and NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of projected section 15, T 25 N, R 3 W, MDB&M.
- (b) due north three hundred (300) feet from SW corner of Lot 147D, of subdivision 2, El Camino Rancho, being within Lot 147C and NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of projected Section 15, T 25 N, R 3 W, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

- 10 acres within Lot 147A of Subdivision 2, El Camino Rancho, being within NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of projected Section 15, T 25 N, R 3 W, MDB&M;
10 acres within Lot 147D of Subdivision 2, El Camino Rancho, being within NE $\frac{1}{4}$ of NW $\frac{1}{4}$ of projected section 15, T 25 N, R 3 W, MDB&M.
20 acres total as shown on map filed with State Water Rights Board.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

COVERED BY LICENSE ORDER NO. 5

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
