**DIVISION OF WATER RIGHTS**

**ORDER**

APPLICATION 11958

PERMIT 8268

LICENSE 4694

ORDER ALLOWING CHANGE IN POINT OF DIVERSION  
AND PLACE OF USE AND AMEND THE LICENSE

WHEREAS:

1. License 4694 was issued to Compton Water District.
2. License 4694 was subsequently assigned to Maxwell Irrigation District.
3. A petition for change in point of diversion, and place of use has been filed with the State Water Resources Control Board and said Board has determined that good cause for such change has been shown.
4. The Board has determined that the petitioned changes do not constitute the initiation of a new right nor operate to the injury of any other lawful user of water.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The point of diversion under this license shall be as follows:  
POD # 2: South 275 feet and West 3500 feet from NW Corner Section 5, T16N, R2W, MDB&M, being within NW $\frac{1}{4}$  of NE $\frac{1}{4}$  of said Section 5.
2. The place of use under this license shall be as follows:  
Gross area of 6,813 acres within Sections 9, 10, 15 and 16, T17N, R2W; Sections 4, 5, 6, 7, 8, 17, 18 and 19, T16N, R2W and Sections 1, 12 and 13; T16N, R3W, all within MDB&M, as shown on a map on file with the State Water Resources Control Board.
3. The following paragraphs are added to the license:

The total diverted and rediverted at Point of Diversion No. 2 under this license and Licenses 4643, 4586 and 4644 shall not exceed 101.5 cubic feet per second or 88 cubic feet per second plus the amount available in Stone Corral Creek, whichever is less.

Point of Diversion No. 2 will not be a Point of Rediversion for Licenses 4734, 5692 and 4523.

## License for Diversion and Use of Water

APPLICATION 11958PERMIT 8268LICENSE 4694

THIS IS TO CERTIFY, That

Compton Water District  
544 Tenth Street  
Colusa, California

Notice of Assignment (Over)

has made proof as of June 9, 1955,  
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of  
Stone Corral Creek Drain in Colusa County

tributary to Reclamation District 2047 Main Drain Canal

for the purpose of irrigation use  
under Permit 8268 of the State Water Rights Board and that said right to the use of said water has been  
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the  
terms of the said permit; that the priority of the right herein confirmed dates from June 24, 1947;  
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited  
to the amount actually beneficially used for said purposes and shall not exceed thirteen and five-tenths (13.5)  
cubic feet per second to be diverted from about April 15 to about October 1 of  
each year.

The equivalent of such continuous flow allowance for any thirty day period  
may be diverted in a shorter time if there be no interference with other vested  
rights.

The point of diversion of such water is located north six thousand five hundred thirty-  
seven (6537) feet and east one hundred twenty-nine (129) feet from SW corner  
of Section 32, T 17 N, R 2 W, MDB&M, being within SW $\frac{1}{4}$  of SW $\frac{1}{4}$  of Section 29,  
T 17 N, R 2 W, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

314 acres in Section 29, T 17 N, R 2 W, MDB&M  
382 acres in Section 32, T 17 N, R 2 W, MDB&M  
696 acres total as shown on map filed with State Water Rights Board

All rights and privileges under this license including method of diversion, method of use and quantity of water  
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the  
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of  
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time  
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein  
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
