**Winston H. Hickox**  
Secretary for  
Environmental  
Protection

**Gray Davis**  
Governor

**CERTIFICATE NO.: 6002**

**DATE OF FILING: April 10, 1997**

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

*United States Bureau of Land Management  
2950 Riverside Drive  
Susanville, CA 96130*

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (SWRCB) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the SWRCB that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the SWRCB certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code section 1226.1, to collect and hold in storage 2.8 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On Unnamed Stream tributary to Madeline Plains (a closed basin) and the Point of Diversion is located at 516,496 feet north and 2,448,510 feet east by California Coordinate System, Zone 1 and is within the SE $\frac{1}{4}$  of NW $\frac{1}{4}$  of Projected Section 10, T33N, R14E, MDB&M in the County of Lassen.*

The Claimant's water right priority of this certificate is April 10, 1997, the date of filing, and is subject to all prior water rights.
