

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

Notice of Change (Over)

APPLICATION 16687

PERMIT 10597

LICENSE 6020

THIS IS TO CERTIFY, That

June Lake Fire District
Box 204
June Lake, California

has made proof as of July 16, 1958
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Twin Springs Creek (Snow Creek) in Mono County

tributary to Reversed Creek

for the purpose of municipal, domestic and fire protection uses
under Permit 10597 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from October 24, 1955
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed forty-seven thousandths (0.047)
cubic foot per second for domestic and municipal purposes or thirty-four hundredths
(0.34) cubic foot per second total for domestic, municipal and fire protection
purposes to be diverted from January 1 to December 31 of each year, provided
however that nothing herein contained shall be construed as confirming in licensee
any right which shall be good as against a subsequent appropriator to an amount
for fire protection purposes in excess of what is reasonably necessary to maintain
an adequate reserve in storage for fire protection except when there exists an
actual need thereof for fire fighting use.

The point of diversion of such water is located :
South one thousand two hundred twenty-eight (1228) feet and west two thousand
six (2006) feet from NE corner of Section 22, T2S, R26E, MDB&M, being within NW $\frac{1}{4}$
of NE $\frac{1}{4}$ of said Section 22.

A description of the lands or the place where such water is put to beneficial use is as follows:

Sections 11, and 14, T2S, R26E, MDB&M, as shown on map filed with the State
Water Rights Board.

This license is conditioned upon full compliance with Section 5937 of the Fish
and Game Code.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.

DIVISION OF WATER RIGHTS

ORDER

APPLICATION 16687

PERMIT 10597

LICENSE 6020

ORDER ALLOWING CHANGE IN POINT OF DIVERSION
AND PLACE OF USE

WHEREAS:

1. License 6020 was issued to June Lake Fire District and was recorded with the County Recorder of Mono County on June 6, 1960 in Volume 47, Page 390.
2. License 6020 was subsequently assigned to June Lake Public Utility District.
3. Petitions for change in point of diversion and place of use have been filed with the State Water Resources Control Board and said Board has determined that good cause for such changes has been shown.
4. The Board has determined that the petitioned changes do not constitute the initiation of a new right nor operate to the injury of any other lawful user of water.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The points of diversion under this license shall be as follows:
 1. South 1,228 feet and West 2,006 feet from NE corner of Section 22, T2S, R26E, MDB&M, being within NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 22.
 2. North 8°38'38" East 1843.7 feet from S $\frac{1}{4}$ corner of Section 11, T2S, R26E, MDB&M, being within NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of said Section 11.

2. The place of use under this license shall be as follows:

The service area of the June Lake Public Utility District within Section 36, T1S, R26E, MDB&M and Section 1, 2, 11, 12, 14, 15 and 22, T2S, R26E, MDB&M, as shown on map filed with the State Water Resources Control Board.
