**COUNTY:** Sierra

---

**WHEREAS:**

1. A letter dated May 1, 2006 has been received from the Licensee, requesting revocation of these licenses by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
2. The Division interprets the Licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.2.

**Therefore, it is ordered** that Licenses 6068 and 10998 are hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.
