DIVISION OF WATER RIGHTS

In the Matter of License 6521 (Application 18257)

Norma L. Dillard

ORDER REVOKING LICENSE

SOURCE: An Unnamed Spring

COUNTY: Siskiyou County

WHEREAS:

1. License 6521 was issued to Frank C. Taylor and Hazel D. Taylor on April 16, 1962, pursuant to Application 18257, and was recorded with the County Recorder of Siskiyou County on April 17, 1962 in volume 474, pages 488 to 489.
2. License 6521 was subsequently assigned to Wayne K. Knowles and Norma L. Knowles by letter dated October 12, 2000.
3. Wayne K. Knowles passed away on May 10, 2010, leaving Norma L. Knowles (now Norma L. Dillard) as the sole primary owner of License 6521.
4. Norma L. Dillard has requested on March 14, 2013 that the license be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
5. The Division interprets the licensee's request for revocation as a waiver of the notice and hearing requirements set forth in California Water Code sections 1675 through 1675.1.

Therefore, it is ordered that License 6521 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

License for Diversion and Use of Water

APPLICATION 18257

PERMIT 11682

LICENSE 6521

THIS IS TO CERTIFY, That

Frank C. Taylor and Hazel D. Taylor
Route 1, Box 42-B
Fort Jones, California

Notice of Assignment (Over)

have made proof as of September 21, 1961, (the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of an unnamed spring in Siskiyou County

tributary to Mill Creek thence Shackelford Creek thence Scott River

for the purpose of irrigation and domestic uses under Permit 11682 of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from August 11, 1958 and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed three thousand four hundred (3400) gallons per day to be diverted from about April 1 to about October 1 of each year and throughout the remainder of the year as required for domestic use.

The equivalent of such continuous flow allowance for any thirty-day period may be diverted in a shorter time if there be no interference with other vested rights.

The point of diversion of such water is located :

South one thousand four hundred twenty (1420) feet and east one thousand one hundred (1100) feet from NW corner of Section 13, T43N, R10W, MDB&M, being within SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of said Section 13.

A description of the lands or the place where such water is put to beneficial use is as follows:

Domestic use and irrigation of $\frac{1}{2}$ acre within SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 14, T43N, R10W, MDB&M.

Rights under this license are and shall be subject to existing rights determined by the Shackelford Creek Adjudication Decree No. 13775, Superior Court, Siskiyou County.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
