

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

ORDER

APPLICATION 16214

PERMIT 10179

LICENSE 7290

ORDER CORRECTING THE DESCRIPTION OF THE SOURCE

WHEREAS:

1. License 7290 was issued to California - Division of Beaches and Parks and was recorded with the County Recorder of San Bernardino County on Book 6406, Page 819 on June 8, 1965.
2. License 7290 was subsequently assigned to California Department of Parks and Recreation, Mojave River District.
3. A request to correct the description of source under said license has been filed with the State Water Resources Control Board.
4. On December 31, 1985, the Licensee's requested the description of the source be changed from Mitchell Cavern Spring to an Unnamed Spring (AKA Crystal Spring).
5. The State Water Resources Control Board has determined that said correction in the description of source will not initiate a new right nor operate to the injury of any other lawful user of the water and that good and sufficient cause has been shown for said correction.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The source under License 7290 be described as follows:
Unnamed Spring (AKA - Crystal Spring) tributary to an unnamed stream thence Fenner Valley

License for Diversion and Use of Water

APPLICATION 16214

PERMIT 10179

LICENSE 7290

THIS IS TO CERTIFY, That

State of California
Division of Beaches and Parks
P. O. Box 2390
Sacramento, California 95811

(see over)

has made proof as of March 10, 1964,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Mitchell Cavern Spring in San Bernardino County

tributary to Mojave Desert

for the purpose of domestic use
under Permit 10179 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from January 21, 1955,
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed two thousand six hundred forty
(2,640) gallons per day to be diverted from January 1 to December 31 of each year.

The point of diversion of such water is located:

South eighty-seven degrees twenty-seven minutes thirty seconds west (S87° 27' 30"W)
three thousand fifty (3050) feet from E $\frac{1}{4}$ corner of Section 21, T10N, R14E, SBB&M,
being within NE $\frac{1}{4}$ of SW $\frac{1}{4}$ of said Section 21.

A description of the lands or the place where such water is put to beneficial use is as follows:

At Mitchell Caverns State Park headquarters and campground within SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of
Section 21, T10N, R14E, SBB&M, as shown on map filed with the State Water Rights
Board.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

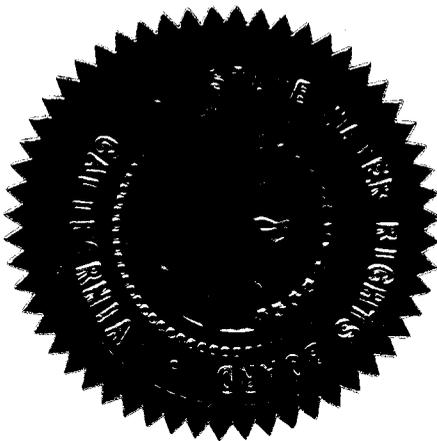

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
