In the Matter of License 8047 (Application 19855)

**JOHN C. ALLRED LIVING TRUST  
ORDER REVOKING LICENSE**

---

SOURCE: Unnamed Spring  
COUNTY: Madera

---

**WHEREAS:**

1. License 8047 was issued to John C. Allred and Helen H. Allred on April 10, 1967, pursuant to Application 19855 and was recorded with the County Recorder of Madera County on April 11, 1967, in Book 984, pages 373-374.
2. The Division's records were updated on February 14, 2000 to show John C. Allred Living Trust as the new owner. On September 20, 2002, Michael Allred became agent of the Trust.
3. Michael Allred requested on July 28, 2013 that the license be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
4. The Division interprets the licensee's request for revocation as a waiver of the notice and hearing requirements set forth in California Water Code sections 1675 through 1675.1.
5. The State Water Board has delegated the authority to revoke water rights to the Deputy Director for the Division, pursuant to Resolution No. 2012-0029. The Deputy Director has redelegated this authority to the Assistant Deputy Directors, Program Managers, and Unit Seniors, pursuant to redelegation Order dated July 6, 2012.

**Therefore, it is ordered** that License 8047 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

## License for Diversion and Use of Water

APPLICATION 19855

PERMIT 13157

LICENSE 8047

John C. Allred and Helen H. Allred  
11314 Road 25  
Madera, California 93637

THIS IS TO CERTIFY, That

have *made proof as of* July 13, 1966,  
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of  
an unnamed spring in Madera County

tributary to an unnamed stream thence Lewis Fork Fresno River

for the purpose of domestic, recreational and fire protection uses  
under Permit 13157 of the Board and that the right to the use of this water has been perfected in  
accordance with the laws of California, the Regulations of the Board and the permit terms; that the priority of  
this right dates from November 25, 1960 and that the amount of water to which this right is  
entitled and hereby confirmed is limited to the amount actually beneficially used for the stated purposes and shall  
not exceed two thousand three hundred (2300) gallons per day for domestic purposes  
or eleven thousand five hundred (11,500) gallons per day total for domestic and  
fire protection purposes to be diverted from January 1 to December 31 of each  
year, provided however, that nothing herein contained shall be construed as  
confirming in licensee any right which shall be good as against a subsequent  
appropriator to an amount for fire protection purposes in excess of what is  
reasonably necessary to maintain an adequate reserve for fire protection except  
when there exists an actual need thereof for fire fighting use.

THE POINT OF DIVERSION OF SUCH WATER IS LOCATED:

North 395 feet and east 510 feet from the center of Section 35, T5S, R21E, MDB&M,  
being within SW $\frac{1}{4}$  of NE $\frac{1}{4}$  of said Section 35.

A DESCRIPTION OF THE LANDS OR THE PLACE WHERE SUCH  
WATER IS PUT TO BENEFICIAL USE IS AS FOLLOWS:

Within SW $\frac{1}{4}$  of NE $\frac{1}{4}$  of Section 35, T5S, R21E, MDB&M, as shown on map filed with  
State Water Rights Board.

Licensee shall allow representatives of the Board and other parties, as may be authorized from time to time by the Board, reasonable access to project works to determine compliance with the terms of this license.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
